Hi Theresa,

Please call me when you have a few minutes so I can answer your questions about the term sheets and administrative orders for the four drinking water systems. I have meetings scheduled for 12-1 Pacific Time (1-2 Hopi Time) and 2-3 Pacific Time (3-4 Hopi Time) but should be able to take a call any other time today. My number is below.

Thank you,

Kimby

Janet,

The 30th is good for us. How about 10am on that day? I also wanted to let you know that FMCV did tell me today in our meeting that they are still participating in the HAMP project. Good News. Thanks for rescheduling. Talk with you on the 30th.

Sincerely,

Theresa, I am going to be out of the office from January 25 to February 5, but Kimby can participate from Office of Regional Counsel. I will be in Saipan, Northern Mariana Islands and have very limited ability to participate in phone calls.

I looked at everyone's calendars from EPA and it looks like Monday, January 29th works for everyone in the afternoon with some availability in the morning, or Tuesday, January 30th also looked fairly open. I'd propose early in the week so we can try to keep this moving.

Please let us know and I'll ask Christina Carroll to send an invite.
Janet

Good afternoon,

I just found out that Lionel will not be back until January 16, 2018 just a couple of days before we are thinking of meeting. Thus, I think we need to schedule a different time. What other dates work for you?

Thank you,

Hi Theresa, I checked in with the enforcement division and the best time that works for all of us is next Thursday (1/18) at 9 am pacific (which I believe is 10 am Hopi time).

Please let me know that this time works for you and Lionel. Also please let us know who will be participating from the Hopi tribe.

Thanks, Janet

Good morning Janet,

Lionel is back this week, I think. I have a call into his office, but I have not heard back from him yet. However, I have not had a chance to meet with him one on one before our meeting so I was hoping we could reschedule our meeting to next Thursday or sometime the week of the 29th? I have included within this email a list of the POS for the different villages as I promised. I have a meeting with FMCV to clarify their position this week and will let you know the outcome as soon as I can. Let me know if we can reschedule.

Good morning and Happy New Year Theresa,
I hope you had a nice holiday.

Kimby and I are checking in with you regarding a few matters. We have a meeting (telephone conference) scheduled with you for this Friday at 1:30 pacific time.

We have a few questions, if you could respond as soon as possible:

1. Is Lionel back at work and able to attend the meeting on Friday?
2. I believe you were going to provide contact (attorney if possible) information for each of the Villages. We have a contact for First Mesa, but not the other Villages.
3. Do you have any updates regarding First Mesa and the MOU for the HAMP?

Thank you. We look forward to speaking with you on Friday.
